Since 2006, Les Douches la Galerie has promoted contemporary and historical photography. While being the exclusive representative in France of the estates of Berenice Abbott, Arlene Gottfried, Ernst Haas and Vivian Maier, the gallery assists living artists to broaden their audiences in France and abroad.

Through over sixty personal and group exhibitions and a collection of almost 2,500 photographs, the gallery offers a vast selection

of works from the early 20th century to today, with an eye to excellence in printing. In supporting the artists, the gallery assists both museums and private collectors, novice or expert, in establishing their collections. Françoise Morin's Parisian gallery is a member of the AIPAD (Association of International Photography Art Dealers) and participates in international fairs. This year at Paris Photo presents the works of the following great

masters of photography: Tom Arndt, Pierre Boucher, Jean-Christophe Béchet, Harry Callahan, Louis Faurer, Robert Frank, Arlene Gottfried, Hervé Guibert, Ernst Haas, Sid Kaplan, Helen Levitt, Ray K. Metzker, Jean Moral, Marvin E. Newman, Paul Povreau, André Steiner, Val Telberg, Weegee, Sabine Weiss and Minor White.
